COMMUNICATION

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

AN ALTERNATE ARRANGEMENT OF THE ESTIMATES OF APPROPRIATION FOR THE HEALTH DEPARTMENT (EXCLUDING HOSPITALS, ETC.), DISTRICT OF COLUMBIA

---

FEBRUARY 6, 1939.—Referred to the Committee on Appropriations and ordered to be printed

---

THE WHITE HOUSE,  
*Washington, February 6, 1939.*

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: I have the honor to transmit herewith for the consideration of Congress an alternate arrangement of the estimates of appropriations for the Health Department (excluding hospitals, etc.), District of Columbia, for the fiscal year 1940.

The details of this alternate arrangement of the estimates and the reasons for its transmission at this time, are set forth in the letter of the Acting Director of the Bureau of the Budget, which is transmitted herewith, and with which I concur.

Sincerely yours,

FRANKLIN D. ROOSEVELT.

BUREAU OF THE BUDGET,  
Washington, February 4, 1939.

The PRESIDENT,  
The White House.

SIR: I have the honor to submit herewith for your consideration an alternate arrangement of the estimates of appropriations for the Health Department (excluding hospitals, etc.), District of Columbia, for the fiscal year 1940.

The proposed alternate arrangement of the estimates represents an effort to consolidate under functional headings in single appropriation paragraphs all of the various items relating to a particular function. This proposal was submitted by the District Commissioners too late for consideration and inclusion in the 1940 Budget. Sufficient study has now been given it both as to form and purpose as to lead me to believe it should be submitted for the consideration of Congress.

Adoption of this alternate arrangement would (1) reduce nine separate overlapping appropriations to four unifunctional appropriations, (2) facilitate the simplification of the present complex organization of the Health Department, (3) permit certain economies in administrative overhead, and (4) promote improved statistical and financial reporting.

Tables are appended, showing, under the alternate arrangement, the regular appropriation titles and amounts that are consolidated therein, and, under the regular arrangement of appropriation titles, the distribution of such titles and amounts to the alternate arrangement.

Your approval of the proposed alternate arrangement of the estimates of appropriations for the Health Department (excluding hospitals, etc.), District of Columbia, for the fiscal year 1940, is recommended.

Very respectfully,

D. W. BELL,  
Acting Director of the  
Bureau of the Budget.
